

From spare rooms, to sheds, to purpose built studios, artists in and around Pocklington find a place to practise their art, and for this weekend, we are inviting you to see where and what we do, and perhaps purchase or commission a piece of work to take home with you. With painting, ceramics, textiles, jewellery and accessories, there's bound to be something to appeal to every visitor.

Many of the artists will be demonstrating their work throughout the weekend. Daily timed demonstrations are as follows:

Venue 8

Jill Ford - making a porcelain wall piece 11am

Saturday 7th & Sunday 8th
May 2016
10am - 5pm daily

To celebrate Craft & Design Month 2016, 21 artists in and around Pocklington will open their studio doors to welcome visitors. Come and see the finished work, and watch the artists creating original pieces using a variety of methods and media.

With 11 venues, many including guest artists, we've planned a circular route for your day out - you can join at any point, and spend as much time as you want talking to the artists about their work and their inspiration. Refreshments will be offered at most venues, and there are a number of excellent pubs and tearooms along the route.
